

Office Manager

Recruitment Pack

Welcome

Forward from our Chief Executive

Thank you for your interest in joining Leeds Children's Charity and for considering being part of the next chapter in our journey.

For over a century, our charity has been dedicated to brightening the lives of young people by providing opportunities for joy, adventure and a sense of belonging. We believe that every child, regardless of background, should have the chance to experience life-changing opportunities that build confidence, resilience and create lasting memories.

We are now looking to appoint an Office Manager to play a central role in helping our charity run smoothly, professionally and safely. This is a key position within our organisation, supporting colleagues across all areas of our work and helping to ensure that the systems, processes and administration that underpin our success are effective, organised and compliant.

This is a varied and rewarding role that touches every part of the charity. From supporting meetings, maintaining records and managing office systems, to overseeing volunteer administration, Gift Aid processes, GDPR compliance, health and safety administration, and routine finance support, the Office Manager will help ensure our team can focus on delivering exceptional experiences for the children and families we serve.

We are looking for someone who is highly organised, practical, proactive and confident working across a range of responsibilities. You will be comfortable using digital systems, managing competing priorities and finding solutions to challenges as they arise. Most importantly, you will share our commitment to making a positive difference and will take pride in supporting a charity that has a lasting impact on thousands of children each year.

If you enjoy bringing order, efficiency and professionalism to a busy organisation and want your work to contribute to something truly meaningful, we would be delighted to hear from you.

Best wishes,

Sharon Milner
