Every child  
**deserves a brighter future**

**we can't do it**

**without you**

We give children the chance to breathe, grow, and believe in brighter futures.

Each year, we support over 3,000 children across the city.

Without support, the effects of poverty and trauma can last a lifetime.

# Helping children thrive

Your sponsorship directly supports children who face poverty and disadvantage, helping them access outdoor play, confidence-building activities and residential experiences.

By sponsoring a package or event, you ensure every pound raised on the day goes straight to our frontline work.

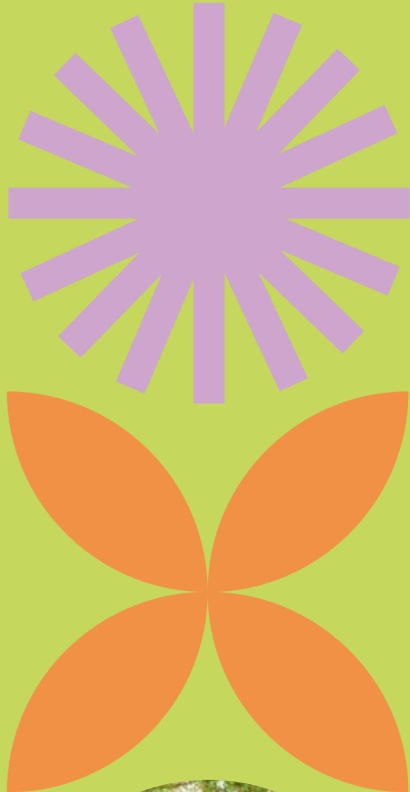

Together, we can give more children the opportunity to build confidence, develop resilience, create lasting memories and return home with a renewed sense of possibility and ambition for the future.

# The impact of sponsorship

- Improved emotional wellbeing - children return calmer, more settled and better able to regulate their feelings
- Greater confidence and resilience - new experiences help them believe in their abilities
- Stronger social skills - shared activities build trust, teamwork and positive relationships
- Better engagement with school - children come back more focused, motivated and ready to learn
- A sense of safety and belonging - time away from daily pressures gives space to breathe and reset

**The result:** children leave Lineham Farm more confident, more connected, and more ready to thrive.
